PARTIES

1. Stephanie Nunez (Complainant) is the Executive Officer of the Respiratory
Care Board of California (Board). She brought this action solely in her official capacity and is
represented in this matter by Bill Lockyer, Attorney General of the State of California, by Elaine

5 documents were properly served on Respondent on August 4, 2005. Respondent timely filed his
6 Notice of Defense contesting the Statement of Issues. A copy of Statement of Issues No. S-350
7 is attached as Exhibit 1 and incorporated herein by reference.

8 ADVISEMENT AND WAIVERS

9 5. Respondent has carefully read and understands the charges and allegations
10 in Statement of Issues No. S-350. Respondent has also carefully read and understands the effects
11 of this Stipulated Settlement and Disciplinary Order.

13 right to a hearing on the charges and allegations in the Statement of Issues; the right to be
14 represented by counsel at his own expense; the right to confront and cross-examine the witnesses
15 against him; the right to present evidence and to testify on his own behalf; the right to the issuance
16 of subpoenas to compel the attendance of witnesses and the production of documents; the right to
17 reconsideration and court review of an adverse decision; and all other rights accorded by the
18 California Administrative Procedure Act and other applicable laws.

19 7. Respondent voluntarily, knowingly, and intelligently waives and gives up
20 each and every right set forth above.

27 CONTINGENCY

28 10. This stipulation shall be subject to approval by the Board. Respondent

understands and agrees that the Board's staff and counsel for Complainant may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect (except for this paragraph), it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

11. The parties understand and agree that facsimile copies of this Stipulated Settlement and Disciplinary Order, including facsimile signatures thereto, shall have the same force and effect as the originals.

12. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Respondent Ghassan I. Syed be issued a conditional license to practice respiratory care, which shall be on probation to the Board for a period of three (3) years on the following terms and conditions:

1. RESTRICTION OF PRACTICE Respondent may not be employed or function as a member of a respiratory care management or supervisory staff during the entire length of probation. This includes lead functions.

Respondent is prohibited from working in home care unless it is under direct supervision and personal observation.

2. OBEY ALL LAWS Respondent shall obey all laws, whether federal, state, or local. Respondent shall also obey all regulations governing the practice of respiratory care in California.

Respondent shall notify the Board in writing within 14 days of any incident resulting in his arrest, or charges filed against, or a citation issued against Respondent.

1 3. QUARTERLY REPORTS Respondent shall file quarterly reports of
2 compliance under penalty of perjury, on forms to be provided to the probation monitor assigned
3 by the Board. Omission or falsification in any manner of any information on these reports shall
4 constitute a violation of probation, and shall result in the filing of an accusation and/or a petition
5 to revoke probation against Respondent's respiratory care practitioner license.

6 Quarterly report forms will be provided by the Board. Respondent is responsible
7 for contacting the Board to obtain additional forms if needed. Quarterly reports are due for each
8 year of probation and the entire length of probation as follows:

9 For the period covering January 1st through March 31st, reports are to be
10 completed and submitted between April 1st and April 7th. For the period covering April 1st
11 through June 30th, reports are to be completed and submitted between July 1st and July 7th. For
12 the period covering July 1st through September 30th, reports are to be completed and submitted
13 between October 1st and October 7th. For the period covering October 1st through December 31st,
14 reports are to be completed and submitted between January 1st and January 7th.

15 Failure to submit complete and timely reports shall constitute a violation of
16 probation.

17 4. PROBATION MONITORING PROGRAM Respondent shall comply
18 with requirements of the Board appointed probation monitoring program, and shall, upon
19 reasonable request, report to or appear to a local venue as directed.

20 Respondent shall claim all certified mail issued by the Board, respond to all notices
21 of reasonable requests timely, and submit Annual Reports, Identification Update reports or other
22 reports similar in nature, as requested and directed by the Board or its representative.

23 Respondent is encouraged to contact the Board's Probation Program at any time
24 he has a question or concern regarding his terms and conditions of probation.

25 Failure to appear for any scheduled meeting or examination, or cooperate with the
26 requirements of the program, including timely submission of requested information, shall
27 constitute a violation of probation, and will result in the filing of an accusation and/or a petition to
28 revoke probation against Respondent's respiratory care practitioner license.

1 5. PROBATION MONITORING COSTS All costs incurred for probation
2 monitoring during the entire probation shall be paid by the Respondent. The monthly cost may be
3 adjusted as expenses are reduced or increased. Respondent's failure to comply with all terms and
4 conditions may also cause this amount to be increased.

5 All payments for costs are to be sent directly to the Respiratory Care Board and
6 must be received by the date(s) specified. (Periods of tolling will not toll the probation
7 monitoring costs incurred.)

8 If Respondent is unable to submit costs for any month, he shall be required instead
9 to submit an explanation of why he is unable to submit the costs, and the date(s) he will be able to
10 submit the costs including payment amount(s). Supporting documentation and evidence of why
11 the Respondent is unable to make such payment(s) must accompany this submission.

12 Respondent understands that failure to submit costs timely is a violation of
13 probation, and submission of evidence demonstrating financial hardship does not preclude the
14 Board from pursuing further disciplinary action. However, Respondent understands providing
15 evidence and supporting documentation of financial hardship may delay further disciplinary action.

16 In addition to any other disciplinary action taken by the Board, an unrestricted
17 license will not be issued at the end of the probationary period and the respiratory care
18 practitioner license will not be renewed, until such time all probation monitoring costs have been
19 paid.

20 The filing of bankruptcy by Respondent shall not relieve the Respondent of his
21 responsibility to reimburse the Board for costs incurred.

22 6. EMPLOYMENT REQUIREMENT Respondent shall be employed a
23 minimum of 24 hours per week as a respiratory care practitioner for a minimum of 2/3 of his
24 probation period.

25 Respondent may substitute successful completion of a minimum of thirty (30)
26 additional continuing education hours, beyond that which is required for license renewal, for each
27 8 months of employment required. Respondent shall submit proof to the Board of successful
28 completion of all continuing education requirements. Respondent is responsible for paying all

costs associated with fulfilling this term and condition of probation.

7. NOTICE TO EMPLOYER Respondent shall be required to inform his employer, and each subsequent employer during the probation period, of the discipline imposed by this decision by providing his supervisor and director and all subsequent supervisors and directors with a copy of the decision and order, and the Statement(s) of Issues or Accusation(s) in this matter prior to the beginning of or returning to employment or within 14 days from each change in a supervisor or director.

If Respondent is employed by or through a registry [and is not restricted from working for a registry], Respondent shall make each hospital or establishment to which he is sent aware of the discipline imposed by this decision by providing his direct supervisor and administrator at each hospital or establishment with a copy of this decision, and the Statement(s) of Issues in this matter prior to the beginning of employment. This must be done each time there is a change in supervisors or administrators.

The employer will then inform the Board, in writing, that he is aware of the discipline, on forms to be provided to the Respondent. Respondent is responsible for contacting the Board to obtain additional forms, if needed. All reports completed by the employer must be submitted from the employer directly to the Board.

Respondent shall execute a release authorizing the Board or any of its representatives to review and obtain copies of all employment records and discuss and inquire of the probationary status with any of Respondent's supervisors or directors.

8. CHANGES OF EMPLOYMENT OR RESIDENCE Respondent shall notify the Board, and appointed probation monitor, in writing, of any and all changes of employment, location, and address within 14 days of such change. This includes, but is not limited to, applying for employment, termination or resignation from employment, change in employment status, change in supervisors, administrators or directors.

Respondent shall also notify his probation monitor AND the Board IN WRITING of any changes of residence or mailing address within 14 days. P.O. Boxes are accepted for mailing purposes, however the Respondent must also provide his physical residence address as

1 well.

2 9. COST RECOVERY Respondent shall pay to the Board a sum not to
3 exceed the costs of the investigation and prosecution of this case. That sum shall be \$1,278.50
4 and shall be paid in full directly to the Board, in equal quarterly payments, within 12 months from
5 the effective date of this decision. Cost recovery will not be tolled.

6 If Respondent is unable to submit costs timely, he shall be required instead to
7 submit an explanation of why he is unable to submit these costs in part or in entirety, and the
8 date(s) he will be able to submit the costs including payment amount(s). Supporting
9 documentation and evidence of why the Respondent is unable to make such payment(s) must
10 accompany this submission.

11 Respondent understands that failure to submit costs timely is a violation of
12 probation, and submission of evidence demonstrating financial hardship does not preclude the
13 Board from pursuing further disciplinary action. However, Respondent understands that
14 providing evidence and supporting documentation of financial hardship may delay further
15 disciplinary action.

16 Consideration to financial hardship will not be given should Respondent violate
17 this term and condition, unless an unexpected AND unavoidable hardship is established from the
18 date of this order to the date payment(s) is due.

19 The filing of bankruptcy by the Respondent shall not relieve the Respondent of his
20 responsibility to reimburse the Board for these costs.

21 10. TOLLING FOR OUT-OF-STATE RESIDENCE OR PRACTICE
22 Periods of residency or practice outside California, whether the periods of residency or practice
23 are temporary or permanent, will toll the probation period, but will not toll the cost recovery
24 requirement, nor the probation monitoring costs incurred. Travel out of California for more than
25 30 days must be reported to the Board in writing prior to departure. Respondent shall notify the
26 Board, in writing, within 14 days, upon his return to California and prior to the commencement of
27 any employment where representation as a respiratory care practitioner is/was provided.

28 11. VALID LICENSE STATUS Respondent shall maintain a current, active

1 and valid license for the length of the probation period. Failure to pay all fees and meet
2 Continuing Education requirements prior to his license expiration date shall constitute a violation
3 of probation.

4 12. VIOLATION OF PROBATION If Respondent violates any term of the
5 probation in any respect, the Board, after giving Respondent notice and the opportunity to be
6 heard, may revoke probation and carry out the disciplinary order that was stayed. If a petition to
7 revoke probation is filed against Respondent during probation, the Board shall have continuing
8 jurisdiction and the period of probation shall be extended until the matter is final. No petition for
9 modification of penalty shall be considered while there is an accusation or petition to revoke
10 probation or other penalty pending against Respondent.

11 13. COMPLETION OF PROBATION Upon successful completion of
12 probation, Respondent's license shall be fully restored.

13
